II - Information for Applicants

Please review the following information carefully before completing your application. WPF members are responsible for honoring and adhering to these requirements. This information is also included in our WPF Policies and Procedures available to all members.

Once you've completed your application, please email all of your application documents to your Primary Sponsor, who is responsible for collecting and submitting your application packet. If you need to submit your application in hard copy, please advise your Sponsor, so she can make arrangements for submission to the Membership Committee Chair.

The deadline for applications, including submission of all required documents to the Membership Committee, is June 1st.

Membership Criteria/Requirements:

To qualify for Active membership, applicants must:

- Be employed full-time or be employed in a career where the content and professionalism of the work is the measure of eligibility and not the number of hours worked.
- Be a resident or employee in Guilford County.
- Be an experienced upper-management executive, licensed or degreed professional, business owner, or official elected or appointed to public office.
- Have a minimum of five years' professional experience and a minimum of two years' experience in the same or related field of work in which she is engaged at the time of her application. (For example, if the applicant has changed careers, she must have a minimum of two years of experience in her then-current field of work at the time of application).
- Be cleared by their Primary Sponsor for an available slot in the appropriate Occupational Field Category. Occupational Field Categories are described on the following page of this document.
- Be sponsored by a total of three sponsors. The primary sponsor must be an Active or Active Retired member. Secondary sponsors may be Active, Active Retired or Emeritus members.
- Prospective members must attend 3 of the WPF monthly lunch meetings as a guest of each of their three Primary and Secondary Sponsors. Attendance must be within 12 months of their June 1st application filing.

Meeting Attendance:

- A member must attend at least fifty percent (50%) of scheduled regular monthly meetings each year. If an Active member knows that she will not be able to attend 50% of the meetings, she should discuss her particular situation with the Membership Chair. Other active involvement and participation in such things as committees, Special Interest Groups, and hosting/attending small group dinners will be favorably considered when an Active member is unable to attend 50% of the scheduled monthly meetings. In general, a temporary or occasional situation (sessions of legislature or a temporary assignment out of town, for example) does not require any change in membership status and, with the approval of the Membership Chair, an Active member may cancel luncheon reservations for a period of time. The final decision regarding membership status rests with the Board of Directors.
- Members may bring guests to luncheon meetings by making reservations before the deadline, and by ensuring that the luncheon fee is paid on or before the day of the meeting.
- A report reflecting the monthly attendance of each active member shall be provided to the Membership Chair by the Administrative Assistant on an annual basis (after the December meeting). A reminder notice of the WPF attendance policy shall be sent to noncompliant members by the Membership Chair.

Occupational Field Categories:

Please refer to this list of categories in completing the portion of the application form that asks for the applicant's company business and field of work categories.
